**Wednesday, March 21, 2018, 7 pm**

**St. Andrew's Presbyterian Church**

**1601 Mary Drive, Pleasant Hill, CA**

**Charmen Goehring** will spend an evening with our branch speaking about anything AAUW. She is the Public Policy co-chair for AAUW CA, which is where much of her expertise lies. She has worked with younger women who are starting YWTF (Younger Women's Task Force) chapters, served as a state president of a small state and spent 4 years on the national board. We've asked her to speak about LAF, what it is and to give us an update, in anticipation of our March 29th Game Day LAF fundraiser (see page 6). Any questions about other AAUW topics are welcome.

**CELEBRATING THE WOMEN OF MARTINEZ**

The Martinez Historical Society is recognizing **Women's History Month 2018** during the month of March at the Martinez Museum with a wonderful exhibit titled "**Celebrating the Women of Martinez**"

**Mary Goodman**, long-time Martinez resident and museum volunteer, is the one we can all thank for her thoughtful recognition of 27 amazing Martinez women who have made interesting and major contributions to the City of Martinez over the years. Photographs and personal items of these remarkable women will be on display, along with their fascinating and awe-inspiring stories.

The exhibit will be on display from March 4, 2018 through March 29, 2018 during regular museum hours and for specially scheduled tours.

**Martinez Museum, 1005 Escobar Street, Martinez, CA**

**If you are interested in scheduling a special tour of the museum and this exhibit, or for further information, please contact:**

## PRESIDENTIAL POSTINGS

We finished the month of February with a very enlightening program listening to our speaker, previous newscaster Ann Notarangelo from channel five. She described how she got in the news field and later left the news and joined Shell. Her stories were interesting and stashed with humor. Many thanks to Bambi Barker and Sally Figueiredo for arranging the program and providing such an array of delicious treats.

The SAM program at Fair Oaks Elementary is finished and it was a huge success. The theme was cave drawings and the students were presented with a short talk on what cave paintings are and how they were discovered. Later students were able to do their own drawings on butcher paper attached to the outside walls using charcoal. It was so much fun to see the excitement of the students as they drew their own cave drawings and many were very creative. One student commented that she felt "like an artist." Many thanks go to Suzanne Mesetz for putting the program together and organizing it with the school. Thank you to Sherrie Moore for scheduling and coordinating branch volunteers for many of the sessions. Last of all thanks to all of the volunteers that helped: Muriel Fry, Sara Gross, Diane Coventry, Joan Foster, Bea Ball, Trinkia March, Erika March (Trinkia's daughter) Barbara Minneman, Marlene Maksel, and Sara Tancredy.

Many enjoyed the cuisine at BJ's at Sunvalley mall. Local scholarships got twenty percent of all sales tickets. Thank you to Carol Walsh and Marie Cattalini for organizing.

Now we are moving into March which is also Women's History Month. We have many activities planned to promote our mission of providing opportunities and equity for women and girls to flourish and create their own history.

START SMART will be up and running during the month of March at the community colleges. This is a workshop given to community college women students who learn skills to negotiate salaries to promote equitable pay. Elena Noble has a workshop set up March 14<sup>th</sup> at Los Medanos and later at DVC. If you are interested in sup-

porting Elena contact her. Having observed one of the sessions it was very interesting.

Our speaker for the next program on March 21<sup>st</sup> will be from AAUW and will speak about the Legal Advocacy Fund known as LAF. We will be brought up to date on what LAF is doing and how it helps women resolve discrimination issues. Hope to see everyone there.

The March program sets the stage for our Game Day scheduled for March 29<sup>th</sup>. The funds raised will be our branch's contribution to LAF at the national level. Come and enjoy your fellow members' company and play bridge, Mah Jongg or Mexican Train dominoes. More information is included in the newsletter.

Kinder's is back. After the success of the last Kinder's sandwich sales a spring run is in order. For every ticket sold \$5 will go to AAUW Fund. And best of all not only are the tickets redeemable at the Martinez store but also at the Pleasant Hill store on Morello. Tickets will be available at our next meeting. Thank you Harriett Burt and Gayle Miner for organizing.

Time is flying by and before we know it May will be upon us. Salute to Spring is rapidly coming upon us and is scheduled for May 19<sup>th</sup> so mark your calendar. The committee is very busy putting together the event but could always use help. If you can help in any way please contact Marlene De Laurenti or Janice Walker. The more help the more success the event will be. All funds raised will be split between AAUW Fund, Tech Trek and Local Scholarships.

The AAUW California convention is scheduled for April 27-29 and will be held at the Irvine Marriott. The theme will be celebrating the 20<sup>th</sup> anniversary of Tech Trek. If anyone is interested in attending please contact Jennifer or Claudia. There are funds to help with the cost.

Our nominating committee has been working countless hours, days and many phone calls to fill our officer slate. This has not been an easy task for them and they have most filled. However at this time our branch needs a president or co-presidents. So we are sending out a plea to have someone step up to the plate. We are an active branch and are very supportive of the presidents and can ease the load. It has been a rewarding experience for us and we have gotten to know many of the members. If anyone has any ideas or would like to step in please contact Marilyn Thelen. Thank you to all of the nominating committee Elva Valli, Marlene Maksel, Diane Coventry, Janice Walker, Sandy Wolfe, Marlene De Laurenti and Harriett Burt for their tireless efforts along with Marilyn Thelen. Let's make it easier for them and volunteer.

Happy Spring and see you March 21<sup>st</sup> and 29<sup>th</sup>.

Jennifer and Claudia

## MEMBERSHIP MATTERS

Bea Ball and Elva Valli, Membership VPs

An early St. Patrick's greeting to all of you. It seems as though we just celebrated New Year's Day! The year 2018 is slipping by as rapidly as did the year 2017.

Also rapidly approaching is March 16<sup>th</sup>, which means it is time to renew your membership in AAUW. The National AAUW Board of Directors voted to increase annual membership dues from \$49.00 to \$59.00 effective in fiscal year 2018-2019. This means dues are now \$97.00 (National dues are \$59, State dues are \$20, and our Branch dues are \$18) and will be good through June, 2019.

The reminder letters are ready for mailing and should reach you during the first week of March. Remember "the Early Bird Gets the Worm" slogan. If we receive your dues by April 16<sup>th</sup> you'll be eligible for a drawing. Your letters explain it all and we certainly appreciate your promptness.

Included with your reminder is the 2018-2019 Information form. Please review and update this form with any changes to name, address, phone number or email. It is necessary to update any changes in our branch directory and also for national records. If there are no changes we ask you to still fill in your name and send it with your dues check in the enclosed envelope.

Thank you for your help,

Your Grateful Membership VPs - Bea Ball at (925) 890-0202 and Elva Valli at (925) 228-8056

## FLORENCE FOWLER MEMORIAL SERVICE

## **Report on the January 24, 2018 Soup Supper**

The Soup Supper seemed to be a successful evening thanks to the help of all involved. The 11 round tables were decorated with red tablecloths (8 at each table) and fresh flowers. We had 17 varied, tasty soups, lots of wonderful corn bread and garlic bread, plus many delicious desserts. Our last-minute speaker was former Congressman George Miller, kindly filling in for Lara DeLaney who had unexpected city council business. George's wit and wisdom after 40 years a congressman was appreciated by most of those attending.

Expenses incurred were minimal considering we purchased 11 red round plastic tablecloths, 100 dessert plates, 100 napkins, 96 bread plates which totaled **\$76.31**. The butter pats which sell at a 200 pat minimum, were **\$16.79**. Since we used less than 100 butter pats, Margie has the leftovers in her freezer, which are guaranteed to be good for next year. Hard to believe but it's true :) The flowers were **\$40**. Margie donated the difference (\$32) for the flowers which were 12 bunches at \$5.99 each .... her pleasure. **Total purchases were \$133.10**. The room rental was **\$145**. The total money taken in was **\$470**. The net gain was **\$191.90**.

\*All in all things went pretty darned well in spite of the rainy evening! So many helped in so many ways. Kudos to those who helped setting up, husbands included, to those minding and figuring out the extension cords and power strips.....that's most important.....and to those who helped take down and close up. It wouldn't have worked without such good help and humor. And particular appreciation for our kitchen help, Pat Harris and Marge Munger, who really kept coffee and water filled and the kitchen clean. It does take a village!

**Thank you all,**

Margie Pruitt and Carol Walsh, co-chairs

### DEEPER IN DEBT: WOMEN AND STUDENT LOANS

*WOMEN TAKE ON MORE STUDENT DEBT THAN MEN ... BUT ARE PAID LESS AFTER COLLEGE*

Between 1976 and 2014 the price of college attendance more than doubled, but household incomes barely budged. Today most students must bridge the gap between income and cost with student loans—followed by student debt. Women take on more loans and take longer to repay their debt, thus women hold almost two-thirds of the outstanding student loan debt in the United States.

Following graduation, women repay their loans more slowly than do men, in part because of the gender pay gap, and they are also more likely to struggle economically during repayment. This means that women may have to put off saving for retirement, buying a home, or starting a business.

Student debt is a systemic and national problem that disproportionately impacts women. AAUW members can help make changes to reduce women's student loan debt burden:

Congress must protect and expand Pell Grants for low-income students to reduce the amount of student loan debt they must take on to complete a degree.

State and federal legislators should increase funding for public colleges and universities and support efforts to move toward tuition- and debt-free options for students.

The department of education and lawmakers should make it easier for students to enroll in income-driven repayment options to help mitigate some women's financial difficulties.

Institutions can address the academic and financial needs of traditional and nontraditional students, such as access to child care.

Kate Nielson  
State Policy Manager

I attended a program led by Assemblywoman, Catherine Baker and Mona Pasquil Rogers the Appointment Secretary to Governor Brown. The topic was how to get appointments to State Boards and Commissions.

There are over 100 Boards and Commissions that are constantly looking for members, some of these are paid positions, some volunteer with travel expenses paid. They range from such subjects and Food and Agriculture, Governmental Operations Agency, Environmental Protection Agency to Veteran's issues.

The main presenter, Mona Pasquil Rogers, was funny and great and talked about the process of applying for any of these positions. She, and Assemblywoman Baker, said the following: Don't talk yourself out of it, don't let anyone else talk you out of it; if you know someone who's interested in joining a Board or Commission, be encouraging.

To find appointment opportunities (to see what's available):

If you are interested in pursuing this go to the website [www.gov.ca.gov](http://www.gov.ca.gov)

Click on the red tab [Appointments](#)

Click on "Boards and Commissions Appointees"

Select the link that contained the letter of the Board or commission you are interested in applying for to determine if there are any vacancies or terms that will be expiring soon.

*(Public Policy continues on page 8)*

(Public Policy continues from page 8)

Following the description of the board or commission will be a numbered page listing the current composition of the board showing the current incumbent (or vacancy), the date of appointment and the term ending date (if any),

If you are interested in pursuing this go to the website [www.gov.ca.gov](http://www.gov.ca.gov)

Click on the red tab Appointments Application Form link

Complete the application

Print and sign the authorization form at the end of the application

Submit authorization form and resume via mail or fax to:

Office of the Governor  
Attention: Appointments Unit  
State Capitol Building  
Sacramento, California 95814  
FAX: 916.558.3190

Mona also mentioned that Counties also need members of their Boards and Commissions and suggested that you go to your County's website to see what is available.

AAUW California's biennial convention will be April 27-29, 2018 at the Irvine Marriott (18000 Von Karman Avenue in Irvine). The convention theme is "Educated. Reasoned. Active.", a counterpoint to today's social media driven hysteria. There has never been a time in which we have been more challenged to advance our mission, nor has there ever been a greater opportunity.

Come celebrate the advocacy, education, philanthropy, and research we do to achieve equity for women and girls! Meet state and national leaders. Attend informative and revitalizing workshops. Hear inspiring and entertaining speakers, including plenary sessions on grassroots advocacy, women peacebuilders, advancing equity for all, and this year's Speech Trek competition: "How Can We Stand Up to Sexism?" The convention's grand finale will be a celebration of the 20th anniversary of Tech Trek! Additional details and registration materials are in the winter issue of the California Perspective and on our state website. Register now for reduced registration and hotel rates. **Early bird rates until March 7th.**

## **From Suzanne Mesetz - PG&E energy saving upgrade program**

I have had this done. It is marvelous. You have already paid for it. They showed me on our bill the tiny amount (\$0.21/month in our case) over the years. I believe you have to have Medicare or be over 65.

Call Joy at: 510.417.9821

It took a few months from start to finish. PG&E did the following:

changed all my light bulbs

replaced a ceiling light fixture

gave me a microwave

checked out our a/c and cleaned it and put more coolant in it

put a blanket on the water heater

repaired a leak (from a/c in closet)

changed furnace filters

Installed a new shower head

blew a huge amount of insulation into our attic

weather stripped as needed

It is not a scam. Plus you will receive 20% off your bill until 1/2020.
